

# Smart mortgage solutions for those in skilled trades

If you answer “yes” to any of the following, I can help you with your mortgage financing needs.

Have you found it difficult to qualify for the mortgage financing you want because of your profession?

Yes

Is it too difficult or time-consuming to prove your income?

Yes

Would you like an easier mortgage approval process that accommodates your income situation?

Yes

You work hard! We believe that your efforts should be recognized when it comes to getting the home or financing you want.

Call today. I have a mortgage that requires no proof of income. Just tell us what you earn. It's a mortgage specifically designed for those in the trades, like you!
